1963 INTRODUCTIONS

SWISS MISS, D. 20" EM, Re.

An unusually fine and beautiful light yellow flushed with green. Petals are broad, creped and ruffled and blooms open flat. Strong scapes, multiple branching. Two long blooming periods. Stock is limited. \$25.00

FRENCH LILAC, D. EM, Re. 24"

Six inch pink with lavender undertone. Petals are creped, diamond dusted and ruffled. Throat shades from yellow to green at base. Excellent branching. Best in full sun. \$25.00

ALVIN SILVER, Semi-Ev, EM, Re. 36"

Large and exotic light yellow tinted with henna and coral. Petals slightly ruffled at tips, twisted sepals. Very large pale green throat. This "different" daylily is named for our Pensacola friend who found it in our seedling field. \$10.00

ROSE CREST, D. M, Re. 24"

Six inch light rose pink with deeper rose halo on both petals and sepals. Chartreuse throat. Petals are broad and overlapping with rose veins. Erect well branched scapes. A sunfast beauty that blooms three times here. \$25.00

SWEETHEART IDEAL, D. EM, Re. 24"

One of the most beautiful melon daylilies in the garden and one that rates "A" in performance as it blooms almost continuously from early May until August then repeats at the end of the season. These six inch flowers have a pink glow and a lovely green throat. Petals are broad, have a raised lavender mid-rib and are creped and slightly ruffled. A fine daylily in every way and on many want lists. Limited stock. \$25.00

PINK ICING, D. M. Re., 26"

Delightful large light pink with yellow throat. Broad petals and sepals slightly recurved at the tips. This smooth clear pink is one all visitors liked last summer. Loves the sun and blooms almost constantly here. Have been holding it to build up stock and can now offer this pink beauty at a reasonable price. \$10.00

PREVIOUS INTRODUCTIONS

AMERICAN GIRL (1960) D. EM. Re. 32"

Six inch rose red with large green throat. Broad, slightly ruffled petals. Recurved form. Best in semi-shade. \$ 3.00

AUTUMN STARS (1962) Ev. M. Re. 34"

Eight inch light lemon yellow with green throat. Heavy substance, sunfast. Long green buds on strong well branched scapes. Blooms profusely in May, repeats in September and October. \$ 7.50

BROAD RIPPLES (1960) S-Ev M. Re. 34"

One of our best yellow daylilies. Large blooms with broad, overlapping petals heavily ruffled. Sunfast. 20 or more buds on strong erect scapes. Two long blooming periods when established. \$ 8.00

BROWN DERBY (1958) Ev. EM Re. 36"

Velvety brown, lighter brown sepals. Large gold throat. \$ 1.00

CANYON ROSE (1960) Ev. EM. MLa Re .28"

Large peach beige with rose veins. Round form, heavy substance. Overlapping petals are extra broad and ruffled. Sturdy scapes loaded with buds the entire season. \$ 7.50

CRIMSON BOUQUET (1960) D. EM. Re. 32" J. C. 1958

Large showy crimson red with star shaped orange throat. Recurved form. Velvety when grown in semi-shade. \$ 5.00

DIAMOND LIL (1959) Ev. EM Re. 20"

Large low growing lemon yellow with pale green throat. Broad, overlapping diamond dusted petals. Blooms double late in the summer. \$ 2.50

ETHEL LYNN (1962) S-Ev. EM Re. 24" J. C. 1961

A six inch changeable beauty. Pale apricot in the mornings which the sun changes to a soft diamond dusted pink. Broad ruffled overlapping petals. Excellent branching, proliferates. Remains open until 10 P.M. Loved by all of our customers. \$15.00

FLAMING IDOL (1959) D. EM Re. 34"

Six inch velvety red with broad overlapping petals and recurved sepals. Lovely green gold throat. One of best reds in the garden. Strong, well branched scapes. \$ 7.00

FORMOSA PINK (1962) D. M. Re. 24"

Lucious deep melon pink with rose veining. These six inch blooms are of heavy substance with broad, overlapping petals. The large throat shades from yellow to green. A fine daylily with two long blooming periods. \$20.00

GOLDEN EXPRESS (1960) S-Ev. EM Re. 34" J. C. 1959

Very large light orange self. Broad segments with some ruffling on the petals which recurve and twist in an artistic manner. The long lower petal is pinched near the tip. Increases rapidly. \$ 3.00

GRAND SLAM (1961) Ev. EM Re. 27"

Large handsome orange with broad creped and ruffled petals. Can't grow this one off fast enough to supply the demand. Will have a few plants for fall delivery. \$20.00

GREEN BAY (1960) D. M. Re. 30"

Six inch flowers of creamy yellow suffused with green. The broad petals are green half the way on the underside. Lovely green throat. Strong well branched scapes. Good performer and well liked. \$ 4.00

GREEN GABLES (1960) D. EM Re. 36" J.C. 1959

Six inch golden yellow with deep green throat extending far out on Petals. The broad, overlapping petals are ruffled and pinched at the tips. Heavy substance. Stock is limited. \$15.00

HARBOR BLUE (1962) Ev. EM Re. 26"

Large 6½" Star shaped flowers of violet-purple. No red undertone. Good clear color set off by a large throat of creamy green, so pale it is almost white. Plant this near your pink and melon daylilies for a beautiful picture. Stock is limited. \$10.00

KEITH WINKLER (1960) Ev. EM Re. 35"

Unique 7½" bitone that opens wide. The broad wine purple petals are long and flaring. The yellow sepals margined in lavender purple twist into a complete curl. Needs a little protection from the noon-day sun. \$10.00

LACKAWANNA (1961) D. MLa 34"

Large, wide open 6½" bitone of magenta and yellow. The long petals are of magenta, sepals yellow with magenta border. Large yellow to green throat banded by a halo of red-purple. \$ 4.00

MAGIC LAMP (1961) Semi-Ev. MLa 27"

One of the brightest daylilies in the garden. Six inch velvety ruby red with broad petals and slightly recurving sepals. Large star shaped orange throat shading to green at the base. Long blooming period. Our most popular red daylily to date. \$ 7.50

MOBILE MELODY (1961) Ev. EM Re. 34"

A magnificent giant yellow. The seven inch blooms have broad, overlapping creped and ruffled petals which are diamond dusted and slightly pinched at the tips. Two long blooming periods. Remains open until 10 P.M. One of the best. Limited stock. \$20.00

PINK MINK (1962) D. EM Re. 20" J. C. 1961

Lovely six inch light melon pink with throat shading from yellow to green. A smooth flower with broad petals and sepals. Sunfast. Sends up scape after scape and blooms longer than any pink in the garden. Proliferates. All of our visitors love this soft pink. \$20.00

ROYAL ELK (1958) Ev. E. Re. 36"

Huge purple semi-spider with blooms sometimes measuring 9". Three long blooming periods here. One of the first to bloom and also one of the last.... \$ 1.00

REBECCA MOORE (1959) Semi-Ev. EM Re. 32" H.M. 1960

This six inch daylily has an ethereal look and is popular wherever grown. The color ranges from shell to salmon pink according to soil and weather conditions. Petals are frilled and slightly pinched at the tips. Sepals recurve and are often quilled. Small greenish throat. Blooms almost continuously. Good parent plant. \$10.00

SILVER KING (1960) D. EM Re. 34" J. C. 1958, H. M. 1962

Very large flat creamy silver suffused with green. Small green throat. The round petals are extra broad and are creped, ruffled and diamond dusted. Broad ruffled sepals. An unusually fine daylily that remains open until 9 P.M. Sold out for 1963.

SNOW FLURRY (1961) Ev. EM Re. 36"

Large very light yellow, almost white. Petals are broad, creped and ruffled. Small green throat. Blooms profusely. For that cool looking spot in the garden try this one. \$ 5.00

SONNY BOY (1961) Ev. E. Re. 20" J. C. 1960

Five inch blooms of round form. The broad petals overlap and have a deep fluted edge. A clear golden-orange self that blooms early in the season when the nights are cold then puts on a show in midseason. Strong erect scapes. Proliferates occasionally. \$ 8.00

STAINED GLASS (1958) Ev. EM. Re. 36"

Large light yellow overcast with rose. Good substance. The long petals are pinched at the tips. Sepals recurve slightly. Outstanding in a clump. \$ 1.00

SUNDAY (1958) Ev. EM. Re. 36"

Seven inch lemon yellow with pale pink glow near the throat. Broad, creped and ruffled petals. Small green throat. Sunfast and fragrant. \$ 1.00

YELLOW FRINGE (1961) Ev. EM. Re. 26"

Six inch yellow with faint tan halo which lightens during the day. Petals are heavily creped and ruffled and slightly pinched at the tips. Erect well branched scapes. Two long blooming periods. \$ 3.00

DWARFS AND MINIATURES by LAKE

DOLL DANCE (1962) D. EM. Re. 24"

Small, perfectly formed yellow flowers measuring 2 3/4". Erect well branched scapes. Petals are round creped and ruffled. Two long blooming periods. Completely sunfast. Very popular. \$ 5.00

PITTY PAT (1959) Ev. Everblooming. 12"

Little evergreen border plant with grass-like foliage that blooms all the summer here. 2" flowers on slender scapes which branch when established. A soft pastel bi-color with pale rose petals and creamy yellow sepals. Can't grow this one off fast enough to supply the demand. A few plants will be available this fall. \$ 1.00

TINGALING D. EM. Re. 22"

Small 2 1/2" flowers of clear light orange. Both petals and sepals are broad and fold back about half way creating a new form. Blooms almost continuously just above the foliage. Fine border plant. \$ 5.00
